

**Prophetic Word - Change, Change, Change
says the LORD**

November 9 2020

I hear chaos and, pandemonium in the distance, I

hear the Words “No More”

I hear the word “empty”

I hear the sound of rumbling, I hear “smite the crops” I hear “poison the water” I hear “take down the electrical grid” I hear “close the banks” I hear “change the currency” I hear the word “barter” I hear “close the highways”

 I hear change, change, change says the LORD.

Arise My Elect; Arise, here I come and My
REWARD is with Me.

I hear the sound in the distance and, I listen to the sound from above.

I call out and cry danger but who will heed My Voice but only those who seek My Father's Grace says the LORD.

Smite the land O destroyer; smite the crops,
smite the water, smite the bread, smite and
smite O destroyer.

Warn My People, Warn My People says the
LORD.
