

Prophetic Word - Deploy

October 16 2020

Here is discernment a call for the Wisdom of interpretation.

My son write these words:

 Severe testing, Time of trial, No release, My Remnant called out.

Hear very clearly the tone of this silence for it is a false silence shrouded in danger. The doors of Grace are soon to close and the veil is to be removed and sudden destruction appears.

When the year was expired at the time when the King leaves the Palace David sent out his officers under Joab. Deploy!

 The Word of the LORD is Deploy.
