

Prophetic Word - Final Hours of Grace

October 19 2020

My son I speak what I am about to do in this hour
as the wheat and the tares separate. I will show
Myself alive by many infallible proofs and speak to
My People and make My Words known.

The year 2020 is the year of transition. That means God turns His purposes back toward Israel. Thus it shall be fulfilled the full body of Gentiles have come in.

For thus says the Lord; This is the time of the
Trumpets the final hours of Grace; shall I not
perform My Word in the fullness of time?

From the bucket - destroyed

From the cup - dregs
