

Prophetic Word - The Gloom of Despair

September 1 2020

My son this month you will be begin to see the downfall of your Country; a weakened economy; a fractured government; disunity among your leaders; disagreement among Nations; confusion; perplexity, dismay among the people and despair and hopelessness among those who are perishing.

All Hope of recovery will be given up as a gloom of despair settles over this Nation.

But those with the Light will recognize the hour in which they live.

Turn back to Me O My People that I might have
Mercy upon you. Run to Me O My People that
you might find shelter.

Seek Me O My People while I may be found while
it is yet day for night comes and My destroyer
has been loosed in the earth says the LORD.
