

Prophetic Word - what are these wounds

September 11 2020

My son your habitation in the midst of deceit of these people. Of deception, trickery and intrigue beware; for falsehood and not Truth will grow strong in this Land.

Take heed of your neighbor and in your
brothers' place no confidence.

For every brother will utterly supplant and every
neighbor will slander and thus it shall be fulfilled
their foolish hearts will be darkened.

What these wounds between my arms but that
which I was wound wounded in the house of My
friend.
