

**Prophetic Word - currency collapse**

**September 13 2020**

Now there shall be a calamity strike.

I strike once,

I strike twice,

I strike again says the LORD.

I come from the left I come at the right, I am from the North.

Wail and lament your walls are down. The protection you once relied upon is no more.

For I am the destroying wind;

I am against you O Proud Nation.

Wail and lament I say again wail and lament for  
your cries will not reach my ears.

Look your enemies surround you O Babylon. The  
pride of your heart has deceived you O Lady of  
Nations -
