

**Prophetic Word - Rise O Horn**

**September 9 2020**

*To the Horn of Africa: You are small and despised of Nations. But you shall rise says the LORD and declare the Faithfulness of God*

O Ethiopia; O Somalia; O Nations of the Horn.  
You are a Mighty Warrior says the LORD. There  
shall be a People in you that honor My Name  
says your God. Behold I have removed the  
reproach of man.

 Rise O Horn and Sound the Alarm!
