

Prophetic Word - East Africa

September 9 2020

East Africa. I speak to the People of Uganda and Kenya. I speak to the People of the Capital. I speak to you O Nations. Much Tribulation is upon you but I have not abandoned those of Mine who remain Faithful.

See now in the midst of the fire there I AM says your God. Did I not bring out those three Hebrew boys?

And so shall I bring out your sons and daughters says your God.
