

The Man that steps forward

April 27 2020

A world stage is being set. "Someone is soon to be "Elevated." The next calamity coming "wormwood." Look for the "Beast" next. Who is the wise man who may understand this? To whom has the mouth of the Lord spoken that he may declare it? There is a staging taking place world-wide to set up a platform from which the antichrist will arise out of.

September 2 2020

My son the platform which I spoke about is being raised. Someone will soon be seated and take his position in the earth. Many will be purified and refined and the wicked will continue to be wicked. None of the wicked will understand but those who are Wise understand.

Many will look for the man who emerges to provide

Those who accept the number of his name will accept what this man says.

- Somebody deceased coming alive

January 25 2021

I am seeing it is a man soon to emerge. I see an image forming; as it appears it is that of man. I am looking at him standing. It's night time. But the figure of that man is darker than the surrounding darkness of night. That's how I see him in a silhouette against the night. I am seeing that he is preparing to emerge.

January 28 2021

I am seeing like a bottomless pit. As I look over the pit **I see faces of a man rising up toward the top**; but I also see like a beast seems to be ascending upward out of it.

February 10 2021

When that thing begins to speak; self-righteous and pious is that King. He knew not I departed until the Kingdom fell. He held out the scepter but all could tell there was no power for him to dwell. Gone from heaven; the light is quenched see where he abides down in a tent.

The beast; behold the beast

February 24 2021

The last deception will be worse than the first. This man will speak things pleasing; he will uphold truths that the believer holds sacred. His mandates will require complete allegiance. Many will say he is our deliverer and thus the deception of the latter is worse than the first. **When the allegiance shifts to a man the restrainer is removed**

February 25 2021

I am looking upward into the sky and I see the animal creatures or beasts; very ominous looking creatures appear. These creatures start appearing all around. These are evil looking creatures. These might be demons.

- Onslaught of wickedness
- **Demonic realm becoming visible**

March 2 2021

Here it comes a delusion, very strong. Even the very elect can be deceived.

March 9 2021

I am seeing what appears to be a key hole. It's the eschutcheon plate on the door where the knob and key are located. Its an old key hole like for a skeleton key. I somehow see what's in the room behind the door without it opening. It's a man sitting in chair facing away from me. Is very dark in the room but the man is darker than the darkness.

It someone sitting in a chair. I could clearly see the bones like the skeleton of the person like looking at a live real time ex-ray. What I notice are the joints of the person: The wrist, the elbow and knee joints other joints in the body are connected together with metal there that lights up. It aluminates as light. Its like this man is part human or bionic or something. I don't know. **Count the number of the beast for it is the number of a man.**

March 11 2021

The Lord says the son of Perdition is on the scene and when He steps forward it will be a sight to behold. **The LORD says let this man step forward that I may judge this people**
