

Prophetic Word to the Holy People

July 30 2020

My son I want you to write about the specific and intense persecution coming upon my Holy People.

 Run and Shout My People for your King is coming in **POWER!**

There is intense persecution coming upon my Holy Ones.

They will shine bright in a dark world

 They will attract opposition because they cannot hide they have no where they can go to conceal the light in them.

 The month of September is the unleashing of an intense persecution on my Holy Ones.

 This is the time of testing.

 **Behold the Hour of Trial!**

See I have told you beforehand so that when it comes you will not be made to stumble.

 The sifting has begun!
